

Hummingbird Pediatric Therapy & Enrichment Center is excited to welcome **Leslie Stiles, MS, RD, CSP, LDN** for a morning of conversation regarding pediatric feeding and nutrition!

*Do you consider your child to be a picky eater?  
Do you feel as if the family is "in a rut" when it comes to mealtime?  
Does your child have specific food allergies and/or sensitivities?  
If so, this event is for you! :)*

Leslie will be the keynote speaker amongst our panel of pediatric clinicians including: Christina Morrissey, MS., CCC-SLP, pediatric speech and feeding specialist, Sarah Ahlm, MA, LCSW, cognitive behavioral specialist and Dr. Nichole Dawson, PhD, pediatric neuropsychologist.

**Please join us for this free event!  
Wednesday, January 30th  
9:30am-11:00am  
Hummingbird Pediatric Therapy and Enrichment Center**

Coming to us from The Family Dietitians, Leslie is a Registered Dietician and Board Certified Specialist in Pediatric Nutrition. She is a graduate and faculty member of the Illinois Leadership Education in Neurodevelopmental and Related Disabilities Program, where she received extensive training in working with children on the autism spectrum. She started her clinical nutrition career at Lurie's Children's Hospital and also teaches pediatric nutrition at University of Illinois at Chicago. Leslie also sees a range of pediatric patients in her private practice.

**She will be presenting on her areas of expertise and interest, which include:**

- Food allergies and sensitivities**
- Picky eating**
- Children that are underweight**
- Autism Spectrum Disorders and eating**
- Infant nutrition**
